Political Advocacy Internship
Alliance for a Better Utah

Office Description
Alliance for a Better Utah is committed to making Utah a better place to live through year-round, multi-issue education and advocacy. Located in Salt Lake City.

Internship Duties
Alliance for a Better Utah is looking for interns with a passion for civic engagement and social justice. We have internships available under the following program areas:
- Policy research intern - a. Ethics  b. Legislative session  c. Education
- Communications Intern - a. Wiki-social media  b. Traditional media/pr  c. Content management

Job responsibilities may include:
- Research to support our projects/issues
- Contacting our members to update them on issues and prompt them to action.
- Helping plan and organize public efforts
- Helping recruit volunteers for outreach efforts and public projects
- Helping train and manage volunteers

Qualifications
The ideal candidate is a policy wonk and a political junkie, with experience working on the college newspaper or other publications. Applicants need to be self-motivated and self-critical, have an interest in our projects and issues, a willingness to learn new skills and ideas, and a strong desire to make a difference. We are looking for interns with strong writing and editing skills, exceptional critical thinking, a keen eye for detail and accuracy, and familiarity with Microsoft Office and Internet research.

Timeline
Winter (Spring) 2013—January to late April, 2-3 full-time interns; Part-time may be considered.

Application Procedure
Send an email to isaac@betterutah.org with a cover letter, resume and two references. If you're interested in working in a specific area, please specify that in your cover letter. Include in the email subject "Better UTAH Internship".
